Data Sharing:

Recently we have been doing school wide assessments in preparation for reports and reviewing how well our programmes have gone.

Today I would like to share one piece of excellent data which shows a significant shift in achievement.

PAT Reading Comprehension is one of our most important Nationally Standardised assessments which is an excellent indicator of achievement across the board. This assessment is delivered to Year 4-6 children.

| | Beginning of the Year | End of the Year |
|-------------------|-----------------------|-----------------|
| Below expectation | 11% | 3% |
| At expectation | 54% | 34% |
| Above expectation | 36% | 62% |

I would like to take the opportunity to congratulate all the staff on the huge effort that goes into shifts like this.

We also welcome Sarah Bland to our school community. Sarah is a current parent at our school who is graduating as a primary teacher at the end of this year. Sarah has done two placements at our school this year and is currently completing a placement at Mangawhai Beach School. Sarah brings with her many skills including a Bachelor of Arts in English and will be teaching in our senior class.

We farewell two staff at the end of this year, Ann-marie Wilkinson and Di Hardisty. Ann-marie has been with us for the last 2.5 years and from time to time before that. Di has been with us for the last year as our After School Care worker and a Teacher Aide before that. She will be exploring exciting work opportunities with her husband Craig.
