School Newsletter 3 May 2022 Term 2 No. 1

From the Principal

Dear Parents and Caregivers,

Welcome back to school to our students, as we look forward to Term 2. We have some exciting events in the pipeline.

Science Roadshow Trip

The whole school will be visiting the Science Roadshow 2022 at Mangawhai Beach School on Monday 16 May. This national initiative is a mobile science discovery centre that travels the length of New Zealand, bringing a range of cool interactive science and technology exhibits into communities.

It includes live shows and hands-on exhibits that broaden students knowledge of science, technology, engineering and mathematics. The themes this year include Astronomy, Ecology, Gravity, Heat and Sound.

Permission slips will be sent by email and Skool Loop this week, along with further details on time and what your child will need to bring.

Matariki

We are planning an event at school to celebrate Matariki on 24 June 2022. More details to follow soon.

Fuel for School—Northfuels
