Tena Koutou, Ki Orana, Bula and Hello,

Wow, what an amazing weekend that we have just had!! The Possum Purge has supported the extermination of 1848 possums over a three day period. Some of the teams put in a huge amount of effort, surviving on not much sleep. As well as this, the kids had a great time playing with the games and on the Bouncy castle on Sunday. No amount of thanks is enough to all the helpers who tied, carried and are still plucking the huge amount of possums to enable the school to receive funding for the Possum Fur. To the committee, Shelly Priest, Garry Frazer, Shaun Holland, Aira Holland, Rebecca Jones, Millie Kenyon and Dan Dare thank you for putting in the long hours to put this event together. We have definitely learnt a few things to make it even bigger and better next year!! Also an extra thanks to Julie Harper, Andrew Hames, Andrew Birt, and Glen Taylor for working long hours in the sheds and at the event. The results will be put up on the website over the next few days.

The next event is now starting to be organised. If you would like to enter the Pet & Show Day, please collect an entry form along with the information you will need to participate in the event from the office. This year we will also be having a competition for the adults :) So to all keen cake decorators (young or old), start getting the practise in. Entries for the Best Decorated Cake will be available at the beginning of next term. The theme is "Kids Delight".

I take great delight in welcoming our newest member of the Paparoa School team. Mrs Jane Meek has started as the administration officer on Monday and I am sure you will make her feel very welcome as she learns the new role.

A big shout out to the Year 6 students who are having a fundraiser for their end of year trip. See the handout attached for "Pyjama Day".

Thank you for the all the families who got behind "Wig Wednesday", we had a lot of fun and as a whanau we raised \$200.00 for the Child Cancer cause.

Karyn Taylor, Principal
