DO YOU HAVE A CHILD READY TO START SCHOOL?

PAPAROA SCHOOL

SUCCESS THROUGH EFFORT
Na to mahi kaha ka whiwhi ai

A little rural school that
focuses on **quality** rather
than quantity!

What can Paparoa School offer?

Small class sizes

Inclusiveness and dedication

Transparency and support

Student focused Education

A Transition Programme that best suits your child

A whole lot of fun!!

Transitioning to school

Starting a new school can be a very nervous time whether your child is turning 5 or starting again at 10. At Paparoa School we believe in creating a transition that is successful for your child and you! It can be a big, scary place with lots of new kids staring at you walking through the gates.

You are welcome to make an appointment with the principal, Mrs Karyn Taylor, to discuss the needs so we can learn about your child(ren), ask questions about the school and take a tour!

We can set the visits to suit you, we do not have specific visiting times. We know how busy families' lives are, we will accommodate your schedule. The amount of visits will be determined by how confident your child is feeling. We will gradually extend the time and days so your child will be ready to go on their first day.

Our values

Paparoa School values are:

Respect

Responsibility

Resilience

The criteria of these values were developed by the students of Paparoa School. We believe in listening to the voices of our tamariki. We want to know what they are interested in, their likes and dislikes as this enables us to develop authentic learning programmes that are engaging as well as looking for added extras to enhance their understanding. Our Local Curriculum continues to be developed to incorporate the wonderful environment and heritage that surrounds us. This ranges from our own garden and orchard to the Kaipara Harbour.
