NEWSLETTER 5

Na to mahi kaha whiwhi ai Success Through Effort

Wednesday 26 April

Tena Koutou, Ki Orana, Bula and Hello Whanau

Welcome to Term 2, I hope you all had a lovely Easter break. I would like to extend a big welcome to Ruby Reynolds and her whanau who has joined us in Room 2.

The Year 5 & 6 students are heading off to camp on Monday, so we wish them fine weather and lots of fun.

The rest of Room 2 will be working in Ms Harper's room for the three days.

Then on Friday 5th May we are having a Teacher Only Day. We will send out reminders about this next week.

Our new fence is now operational and the entrance to the school has changed. It is now down by the pump house on the footpath. You will need to put your hand through the gate and pull up the lever.

Nga Mihi

Karyn Taylor
Principal

The MT Farms Pahi story and team

MT Farms Pahi is a business built on oyster farming. Our oysters are caught and grown on our farms in the Arapaoa River, part of the Kaipara Harbour on Northland's west coast. Our factory and depot are on the edge of Pahi village and we launch our barges at Pahi wharf for the 20 minute trip to the farm. We process our own oysters in our Pahi factory and sell them to fish shops around Northland, Auckland and the rest of the North Island.

MT Farms Pahi is very much a family business. Thane & Marlene Colquhoun began oyster farming at Pahi more than 25 years ago and built up a successful business (the T and M of MT Farms). We are now into our second generation with Moana, Ngaire and Jesse (and their partners) working in the business.

We are proud to support Paparoa School, as most of the Colquhoun grandchildren are, or will be, akonga there. As of 2023, there are four cousins from three families, with more coming over the next few years!
