Na to mahi kaha whiwhi ai Success Through Effort

Monday 15 May 2023

Tena Koutou, Ki Orana, Bula and Hello Whanau

I hope you all had a great Mother's Day on Sunday.

We are in Week 4 now, hasn't the last month gone so very fast. Camp was amazing, and very successful. Thank you to Iain Davies for coming with us. I have a few hundred photos to share and so I am just getting the website set up to add them to a page. The Events page is slowly coming together with all photos from all the different events this year.

As well as the events, a Garden to Table Page will be available to see the recipes that we have used as well as all of the photos.

I would like to welcome Amy Rogers who is working at school as a teacher aide for the rest of the year. Amy is working part time to support students in our school.

Friday 19th May - Be A Road Safety Hero

It is Road Safety Week this week and as most of our students catch the bus, we are having a conversation on Friday about the rules of getting on and off the buses. This is extremely important especially with all of the extra traffic going down Paparoa Oakleigh Road at the moment. We will also be practising the rules of crossing the road, using Franklin Road. Please can all students wear yellow or other bright colours as part of the Road Safety Day.

Foxes

Last week, Room 3's poem and shared book were about foxes. We followed this up by creating fox collages.

Congratulations to the following students for receiving certificates at our latest Hui.
