Monday 26 June 2023

Tena Koutou, Ki Orana, Bula and Hello Whanau

This week is the last week of term and a special one for our school. Three years ago, the 150th Anniversary of Paparoa School should have been held, but this was not meant to be. So tomorrow, we are holding a small gathering to commemorate the late occasion. We will also be planting a tree to celebrate reaching this milestone. I am looking forward to meeting some of the old students and staff and hearing the stories of the past.

We are also celebrating our support and volunteer staff this week. There is a huge amount of work that goes behind the scenes in a school, particularly a small rural school like ours. The daily jobs can't be done without our wonderful staff and helpers, and I thank them for all the work they do everyday to support our students and the rest of the staff. We are so lucky to have our amazing team.

Have a great winter holiday and I will see you back in Term 3.

Room 2 has been learning Korean each Friday. We learn from our teacher Sunny Yang on zoom. She teaches us basic sentences and how to use the alphabet to make the sounds of the characters. We also learn about Korea as a country. Recently we learnt how to make traditional dress, Hanbok, from origami. We decorated these fans with Korean icons and then named them with our Korean names.
