Tena Koutou, Ki Orana, Bula and Hello Whanau

Winter has definitely started and is beginning to settle in. Please make sure that you let us know if your child is away due to illness. There are a few bugs around at the moment such as the flu, covid and a stomach bug. We are a small school and bugs in the school can have a big impact so please do not send your child back to school unless they are not infected.

This is my first winter and so I am enjoying the seasonal fruit in my orchard at home. I did some harvesting yesterday and was able to bring in a big haul of oranges for the kids to have at morning tea time. This is definitely a fruit they like as most of them were eaten. If you or anybody you know has a glut of oranges, we would love to have them to cut up for the students as a morning tea bonus. Vitamin C will also help with keeping the bugs away.

At the moment half year assessment is being completed and reports are being written. I will put out more information for you next week in regards to the interviews that are being held in Term 3.

Please also keep an eye out on your emails about all of the events coming up in Week 10.
