Na to mahi kaha whiwhi ai Success Through Effort

Monday October 16

Tena Koutou, Ki Orana, Bula and Hello Whanau

Welcome back to the last term of the year. I am pleased to see that there was some sunshine during the holidays. As per usual, this term will be extremely busy with Pet and Show Day, School photos, End of Year assessment and Reports. I have had a lot of questions regarding the end of the year dates and so I can confirm the following:

End of Year Prizegiving: Wednesday 13th December

Last Day of Term: Thursday 14th December 12.00pm

Learning Journey for Term 4

Kapahaka continues every Wednesday afternoon with our wonderful tutor, Anahera. As we are starting to get into the serious part of the practicing, I will be sending out information and permission forms to be signed as it looks like the festival and performance will be on Sunday 3rd December. I will need assurance that you will all bring your children on the day as we are starting to organise costumes and line ups.

On Tuesday 17th October (next week) we have Anne from Bunnings Mangawhai bringing a group of helpers to build us two more garden beds. The community work they do is just outstanding and we are so appreciative to be given the opportunity to be a part of this. I have ordered soil and so we will be filling the beds and planting them with plants that Anne is providing. Anne is also bringing two fruit trees that our Year 6 students will be planting as a legacy of their time at Paparoa School. This is starting at 9.00am if anybody is interested in giving us a hand.

On Tuesday 24th October we have ASB coming in to do some money workshops with our Year 3 to Year 6 students. This is such a valuable tool for our students to know and learn about.

On Wednesday 1st November I have my Principal Professional Learning Group visiting our school. I am looking forward to showing off our wonderful tamariki and sharing what we have been doing in our space.

Thursday 9th November brings a programme called 'Wood is Good' for the whole school. This programme is about harvesting wood and what it is used for. They will be bringing a logging truck for the boys to have a look at.

As well as all of the above goings on, you would have received an email regarding all of the upcoming events. Please keep checking your emails and apps for information coming through. If you have any questions, please email me at principal@paparoa.school.nz or ring the office.
