Tuesday 27 February 2024

Tena Koutou, Ki Orana, Bula and Hello Whanau

We are now in Week Five of the term and our focus turns to our BOT Kitchen Project. This is an exciting milestone as today Phase One of the project began with the inside of the building being gutted. We have had our first hiccup with the heat pump but this will be a time issue. The next phase of the project will be the plumbers coming in to install the gas and plumbing for the sinks and dishwasher.

While all this is going on we will be getting quotes from electricians and applying for grants to pay for this part of the project.

Fundraising will be the key to this project and I want to thank the parent community (Andrew, Alex, Rebecca, Glen, Dan, Sasha, Errol, Matt and Jesse) who came out and helped split up the firewood on Saturday. Also a big thanks to Moana, Ngaire, Kirsty and Julie for providing food and drink during the morning. We managed to split approximately 10 m3 and we have already sold 4m3. I am offering the wood to our parent community first, so if you would like to buy some firewood, we are selling it at \$80 per m3. We also have mulch which we are selling at \$50m3. Please contact the office if you are interested and organise payment and pick up. If it is during school time, we will get the big kids to help load it 😊

We still have more wood to split and could do with some extra help. Put Saturday 16th March on the calendar - starting at 8am. Bring a chainsaw, axe or splitter if you have one. Just helping stack would be much appreciated.

It was so nice to catch up with everybody at the Family Fun night. We have a few new families that I could see being welcomed into our Paparoa Whanau.

Please make sure you download the school app as this is our main communication link with whanau. This will also be extremely important with whanau who have students on buses as we will be sending notifications out if there are any issues with the buses.

Total money fundraised \$230.00
Family fun night - \$230.00

INTRODUCING OUR BOARD OF TRUSTEES

The role of the Board of Trustees is to oversee the governance of its school and ensure that everything that needs to be done gets done - legally, ethically and in the best interests of its students. They have four primary objectives which are ensuring student achievement for all of its students, including for those of differing needs, making sure the school is a safe place for all, and giving effect to the Treaty of Waitangi. As part of its focus on these four objectives, boards' responsibilities include:

- Setting the strategic direction for the school
- Protecting the school's values
- Monitoring and evaluating student learning outcomes
- Approving policies
- Financial stewardship
- Building community engagement and support

Paparoa School Board of Trustees is made up of:

Principal - Karyn Taylor

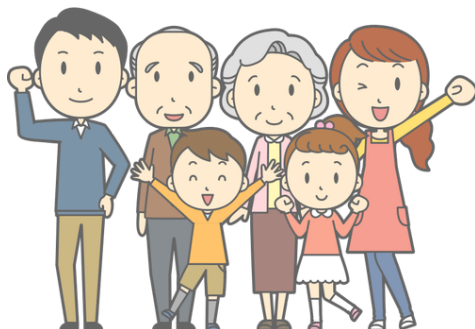

Staff representative - Julie Harper

Presiding Member - Kirsty Colquhoun

Parent representatives - Maureen Evans, Shelly Priest

Co-opted member - Ngaire Hames
