Na to mahi kaha whiwhi ai
Success Through Effort

Tena Koutou, Ki Orana, Bula and Hello Whanau

I hope you all enjoyed the school holidays, especially the first week with the beautiful weather we had.

I am sure you are all aware that Paparoa-Oakleigh Road is closed this week. All Taipuha afternoon bus parents have had an email sent to them last week and any affected families have been notified. The morning buses are not affected.

We have our school kitchen opening being held on Friday 9th August at 10.00am. We have been meeting with iwi and our Kaumatua 'Hone' has gifted us a name which is very exciting. We will be meeting on the turf where we will start with a blessing and then reveal the name. After the formalities, there will be morning tea to enjoy. It would be wonderful to see you all, particularly those who have supported the fundraising ventures for the school over the last year.

Our upgrade in Room 3 is just about complete, just a bit of painting and furniture to be sorted out and then students can enjoy it. After pulling the autex (fluffy wall covering) down, the builders discovered gib that had disintegrated and so the decision was made to put new gib up. Then to our dismay, we found no insulation so that has been done too. So the heart of the building has been updated as well as what you will be seeing. Thank you to David and Jack from Paramount Construction who have done a stellar job.

Last Wednesday I sent out our BOT Health Curriculum Consultation Form. Thank you to the whanau that have filled it out already. This consultation is extremely important as it allows you to add your voice to the direction of our Health Curriculum over the next two years. You do not have to put your name down, it is a confidential survey. Please let me know if you did not receive this or you would like me to resend.

We have two big events coming up over the next few months - Possum Purge and Pet & Show Day.

Possum Purge is our annual fundraiser and we need help with the gala. Ngaire Hames, our BOT Member is in charge of this part. Please if you can help with organising or helping on the day, either let Ngaire or myself know. If you are able to help with finding sponsorship or raffle ideas, please also let us know. We are having a meeting next **Monday 5th August at 6.00pm** at school. We can zoom you in if you can't make it.

School Lunches started on Monday last week and it has been very successful so far. We are trying different options and talking to all the students each day for feedback. We still have a list of different meals we would like to try which will happen over the course of the term. Thank you to all the parents who are supporting this wonderful addition to our school. I know some of the students have been a bit apprehensive about trying the meals but it is wonderful to see

Welcome to Sunita!

**Sunita will be cooking
the lunches for our
tamariki :)**

them trying the food each day. It definitely fits in with our 'Resilience' value.

It is great to have all the tamariki back at school, heading into another fabulous term.
