Na to mahi kaha whiwhi ai
Success Through Effort

Tena Koutou, Ki Orana, Bula and Hello Whanau

What a big week we had last week. Our Pet and Show Day was hit with a huge amount of positive feedback given. Well down to all our families and students who spent numerous hours working with their animals over the last few months. The dedication is huge and I applaud all of you for continuing this rural tradition.

A big thank you to our judges, Janine Hames and Dave Porteous. Also to our Pet show organiser, Ngaire Hames. This event is not achievable without the support of the BOT and parents of our school.

Not forgetting the amazing artwork and craft pieces that were on display for the Indoor Exhibits. Thank you to Ms Julie Harper for organising this, and to our other teachers for working hard with our students to produce some amazing pieces. Our judges for this event were Deb Clapperton and Trish Stanley-Hunt.

I would also like to thank our amazing support staff who were busy in the background. Their hard work is much appreciated with these events.

**DON'T FORGET SCHOOL
PHOTOS ARE TOMORROW**

As we move towards the middle of the last term of the year, teachers are starting to complete the final assessments and begin to write the end of year reports. Attendance slipped in Term 3, so we would appreciate any days that students are away being medical only. Thank you for your support!

Keep an eye on the dates, add them to your calendar, there are still a lot of events happening over the next six weeks.
