**Na to mahi kaha whiwhi ai**  
**Success Through Effort**

Tena Koutou, Ki Orana, Bula and Hello Whanau

Welcome back to school and to Term 2! This is a nine week term and we have a lot happening through the weeks.

This term we will be completing our half year assessments and writing reports ready to be sent home.

We also have ERO visiting us in Week 8. ERO is the Education Review Office and they visit with myself and the Board of Trustees. This is such a great time to be able to share all of our successes and celebrations from over the last three years and show them what a wonderful little rural school we are.

The Year 5 & 6 students have camp in the last week of this term. I went down and visited camp on the weekend and it is still as I remember it.

We are heading down to Te Kauwhata to stay at Lakewood Lodge which is an adventure camp. What a great way to finish the term for them.

We have Matariki also in Week 8, so we are currently planning an event for Thursday 19 June. Watch this space!

There is a lot going on in the 'Education World' at the moment. The Ministry has been busy through the holidays. We have had three announcements in the space of one week.

1. Teachers registration will be paid over the next three years
2. Financial education will be added to the Social Science curriculum - for years 1 - 6, the curriculum will cover key financial skills, such as identifying needs versus wants, having a bank account, earning, spending and saving.
3. A Parent Portal has been developed which will enable all parents and caregivers the ability to read more about what the Ministry of Education has developed. Once I get information on this, I will send it through.

Nga Mihi

Karyn Taylor  
Principal
