**Na to mahi kaha whiwhi ai**  
**Success Through Effort**

Tena Koutou, Ki Orana, Bula and Hello Whanau

We are nearly at the end of the term, thank you for all the support through our ERO visit that finished yesterday. There was some very positive comments from our ERO visitors and so we now wait for our report.

Thank you to those that attended our Matariki Hui and Brunch. The students were so excited to share their 'Space' learning and of course, dig into the scrambled eggs and hash browns. It is always nice to have our whanau come in and share our celebrations.

A reminder that our school elections are coming up next term. You will receive information and nomination forms by email from SchoolEd. Please look out for this after the 16th July.

Reports are coming home today. Thank you to those whanau who attended the Curriculum presentation last week. I hope this information you learnt about the new curriculum and the impact on our learners was helpful.

We have whanau conferences in Week 1 next Term. This will be on Thursday 17th July. We will be finishing school at 12.15pm. Buses will still pick the students up and drop them off at the earlier time. The interviews will run through until 6pm. For those of you who are using the School app, you will find the interview button there. If you don't use the app, please ring the office to make an interview time. If you have more than one child, you are able to make appointments that follow on from the other.

This is our last newsletter for the term. Have a safe holiday and we will see you all back on Monday 14th July.

### Grow Paparoa

Each Friday, four of our senior students go up to the Community gardens to volunteer for two hours. This is the second year we have run this programme and it has also been beneficial to the gardening at our school. We are very lucky to have this service in Paparoa. Below this year's team has harvested the potatoes that last year's team planted.

## Speeches

Last week the Year 5 & 6 students delivered their speeches to the rest of the school. The topic was *Rural Communities are the place to live!* All of the students did an exceptional job, making it pretty tough for the judges. Chloe Boulgaris and Nathan Buxton were selected to participate in the Paparoa Lions Speech Competition which was held on Monday night. Both students presented solid arguments about Rural Community living and represented us with pride. They both did an amazing job and a huge congratulations to **Chloe who received second place**. I am beginning to realise that this is an area that our school is very strong in, thank you to Mrs Sims for all the hard work she has done teaching the speeches this term.
