Tēnā Koutou, Ki Orana, Bula, and Hello Whānau,

Welcome back to Term 3! We hope everyone enjoyed a restful break and is ready for another busy and exciting term.

We warmly welcome Mrs Kayley Polwart (Whaea Kay), who will be completing an eight-week student-teacher placement in Room 1. Kayley is in the final year of her studies, and we are delighted to have her join the Paparoa School team.

Our **Matariki Breakfast** at the end of last term was a wonderful success. It was fantastic to see so many of our school whānau, along with members of the wider community, come together to share kai, conversation and connection. Approximately 80 people attended across the two sittings, creating a warm and welcoming atmosphere.

A special thank you goes to our Board members, particularly Ngaire, Maureen and Tegan, who did an amazing job preparing and cooking breakfast for everyone.

We were also humbled to welcome descendants of T. W. Wilson, Paparoa School's foundation principal. Together, we planted a heritage apple tree in our school orchard called *Wilson's Own*, named in honour of Mr Wilson. This special tree provides a lasting connection to our school's history and will be enjoyed by generations of Paparoa School students to come.

Matariki is a time to remember the past, celebrate the present and look towards the future. Our breakfast and tree planting beautifully reflected this spirit and reminded us of the strength of the connections within our community.

Wearable Art Show

Our Wearable Art Show, *From Page to Parade*, is now frantically looming, and excitement is building across the school. The students have been working incredibly hard to bring their characters to life, and we cannot wait to share their creativity with you.

Monday 10 August

I am calling for volunteers to help set up the lighting and decorations at the Paparoa Memorial Hall. If you can lend a hand, please meet me at the hall from 9.00am. Any help would be greatly appreciated!

Tuesday 11 August

All students will walk to the hall to practise using the runway and polish the final performance. It is essential that every student is at school on this day, as this will be our only full rehearsal at the venue.

Wednesday 12 August — Show Day!

We will perform two shows at the Paparoa Memorial Hall:

- Day performance: 11.00am
- Evening performance: 5.30pm

Further information about arrangements for students for the evening performance will be sent home next week.

This is shaping up to be our biggest production yet. We are looking forward to seeing our school community come together to celebrate the imagination, hard work and confidence of our amazing tamariki.

PET & Show Day

Organisation for Pet & Show Day has also started. We will let you know when booklets and registration forms are ready to be picked up from the office. A reminder that all lambs or calves must be born between 1st July and 20th September.

Cross country training is also now underway for all students.

Warm regards,

Nga Mihi

Welcome to our new student - Anna

Malcolm has been slowly working his way around the Playground surround, replacing the rotten boards and adding more to make sure the bark is not washing away. He has also finished replacing all of the wooden areas on the playground. He has done an excellent job and we are extremely appreciative of the work he has carried out.

Graeme has also been busy in the garden, taking out the garden fence and getting rid of the wild ginger plants. We are looking at extending the garden, so watch this space.
